STATE OF ILLINOIS BUYING PLAN

Calendar Year 2023

On behalf of nearly 20 State Agencies, Central Management Services (CMS) launched the State of Illinois' Quarterly Buying Plan. The Plan is designed to serve as a single-destination for useful information to the State's vendor community and to make vendors aware of the upcoming purchasing needs for a range of agencies. This initiative is led by the Bureau of Strategic Sourcing (BoSS) team, who is committed to expanding the content of the document so that vendors interested in providing their goods and/or services to the State are informed, prepared, and ready to respond to the State's solicitations.

In addition to the quarterly forecast of upcoming opportunities, the most recent addition of the Plan features sections on doing business with the State, small and disadvantaged business programs, an overview of registration and pre-qualification requirements and how to access technical assistance.

Doing Business with the State

All vendors submitting bids and offers on Illinois public contracts must:

- **Register with the the Illinois Secretary of State** as a legal entity (other than individuals acting as sole proprietors) in good standing prior to submitting a bid, offer, or proposal. This applies to both in-State and out-of-State firms.

For more information, call 217-782-6961 (Springfield) or 312-793-3380 (Chicago) or visit www.ilsos.gov/departments/business_services/home.html

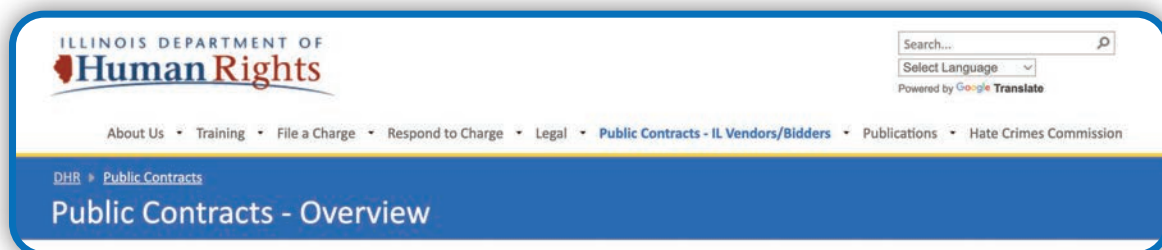

- **Register with the Illinois State Board of Elections** and obtain a certificate confirming your registration. This applies if you have aggregate bids, proposals, or contracts exceeding \$50,000 annually, including the business you do with all State of Illinois agencies and universities and the value of any current solicitations to which you are responding.

For more information, call 217-782-5959 (Springfield) or 312-814-6485 (Chicago) or visit BEREP.elections.il.gov

- **Hold a current Illinois Department of Human Rights (IDHR) Eligibility Number** which is obtained by filing an Employer Report Form (PC-1) with the IDHR Public Contracts Unit.

For more information, call 312-814-2431, email at IDHR.publiccontracts@illinois.gov or visit www2.illinois.gov/dhr/PublicContracts/Pages/default.aspx

Illinois Procurement Gateway

The next step in the process is to register your firm in the Illinois Procurement Gateway:

ipg.vendorreg.com

The Illinois Procurement Gateway (IPG) is a centralized portal that allows potential vendors to pre-qualify by providing certifications, disclosures, registrations, and other documentation needed to do business with a State agency in advance of any particular procurement. This registration is renewed annually and saves vendors having to complete these documents each time they bid on a solicitation.

Information and documentation required for registration:

- Federal Employee Identification Number (FEIN) or Social Security Number (SSN)
- Illinois Department of Human Rights (IDHR) Public Contract Number
- Illinois State Board of Elections Registration Number
- Authorization to do Business in Illinois from the Illinois Secretary of State
- Letter of Approval if registered in any of these programs:
 - Illinois Business Enterprise Program
 - Illinois Veteran Small Business Program
 - Illinois Small Business Set-Aside Program
- Names of company owners
- Company financial information
- List of Board of Directors (if registering as a not-for-profit entity)

The State of Illinois publishes procurement opportunities and other notices in its eProcurement system, BidBuy. **Solicitations for goods and services required by the State of Illinois are only published on BidBuy. Vendors must register in BidBuy to provide a bid or offer to solicitations.** If a vendor is registered in the Illinois Procurement Gateway (IPG), a BidBuy registration is started in BidBuy, but not completed. The Vendor must go into BidBuy to complete the registration. If a vendor did not complete an IPG registration, there is no cost to register in BidBuy but it does require specific information about your firm to be provided.

When registering in BidBuy, Vendors must identify which National Institute of Governmental Purchasing (NIGP) service or commodity codes relate to the goods or services that the business provides. The Vendor's selections should reflect what goods or services that the business provides, not what it uses in the course of business. All solicitations published on BidBuy are classified by NIGP code(s). When the NIGP Code of the solicitation matches the NIGP Codes you selected for your business, you will automatically be notified of the procurement opportunity by email.

To register in BidBuy visit www.bidbuy.illinois.gov or for more information visit www2.illinois.gov/cpo/PathwayToProcurement/Pages/BidBuy.aspx
